Re: Postponement of Proposed Changes Pending in Case 20-E-0376

Dear Secretary Phillips:

The supplement set forth below is filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on December 16, 2020 to become effective on January 15, 2021. The Company requests for this supplement to become effective on less than statutory notice on January 1, 2021.

P.S.C. No. 15 – Electricity

Supplement No. 110

The request to postpone the tariff leaves is made to allow additional time for Staff of the NYS Public Service Commission to review the Company's filing.

The Company also requests a waiver of newspaper publication requirements of Public Service Law §66(12) (b) for this filing as the NYPA supply service addressed herein is available for a limited population of the Company's customers subject to direct contact and agreement between the NYPA and such customers.

Questions related to this filing should be directed to Michael Bachan at (845) 790-4898 or mbachan@cenhud.com.

Yours very truly,

Christopher M. Capone
Executive Vice President
