RE: Case 20-E-0113, Tariff filing to Implement the
Competitive Procurement Process for Dynamic Load
Management ("DLM") Resources and Premium Auto DLM
Resources.

Dear Secretary Phillips:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing with the Public Service Commission ("Commission") Supplement No. 42 to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY (the "Electric Tariff").

Ordering Clause 6 of the Commission's Order Establishing Term-Dynamic Load Management and Auto-Dynamic Load Management Program Procurements and Associated Cost-Recovery, issued September 17, 2020, in Case No. 20-E-0113 directed the Company to cancel tariff amendments filed with the Commission on March 6, 2020, and the postponement supplement, Supplement No. 41, filed June 18, 2020.

Accordingly, the Company is submitting for filing Supplement No. 42 to its Electric Tariff which cancels the aforementioned tariff amendments and the subsequent postponement supplement.

As specified in Ordering Clause 7 of the Order, the Commission has waived the requirements for newspaper publication.

Any questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.
Director – Rate Engineering
