Re: Case 16-W-0259 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of New York American Water Company, Inc. for Water Service

Dear Secretary Phillips:

On July 31, 2020, New York American Water filed Rate Year 4 tariff changes to Tariff, P.S.C. No. 5 – Water on 30 days' notice, with an effective date of September 1, 2020 reflecting such tariff changes necessary to effectuate the terms of the Order for the rates in the rate year ending March 31, 2021, pursuant to ordering paragraph number 5 of the New York State Public Service Commission ("NYSPSC") Order issued and effective May 18, 2017, and pursuant to Ordering Clause No. 1 of the NYSPSC Order Postponing Approved Delivery Rate Increases and System Improvement Charge, issued and effective March 25, 2020, in Case 16-W-0259.

Following submission of those tariff leaves and subsequent review by Staff, resubmission of five of the leaves is required to correct errors primarily related to rounding issues and, in one case, a transposition of numbers. As a result, New York American Water hereby submits the following further revisions to Tariff, P.S.C. No. 5 – Water with an effective date of September 1, 2020:

- Fifth Revised Leaf No. 87;
- Sixth Revised Leaves Nos. 82, 85 and 86; and
- Seventh Revised Leaf No. 64

New York American Water respectfully requests a waiver of Commission rules and regulations regarding newspaper publication for these further revisions.

Respectfully submitted,

John T. Dillon
