RE: Case 20-M-0231, Emergency Summer Cooling Credit

Dear Secretary Phillips:

Consolidated Edison Company of New York, Inc. (the “Company”) is filing with the Public Service Commission (the “Commission”) amendments to its Schedule for Electricity Service, P.S.C. No. 10 – Electricity (the “Electric Tariff”), applicable to its customers in the City of New York and the County of Westchester. The Company is also filing amendments to its Schedule for PASNY Delivery Service, P.S.C. No. 12 – Electricity (the “PASNY Tariff”), applicable to delivery by the Company of power and associated energy to Authority Public Customers under the PASNY Tariff. The revised Electric Tariff Leaves and Statement and PASNY Tariff Leaves, which are identified below, are filed to become effective on June 16, 2020.

Reason for Filing

This filing is made pursuant to the Commission's Order Approving Temporary Emergency Financial Relief for Electric Low-Income Bill Discount Program Customers, issued and effective June 11, 2020, in Case No. 20-M-0231 (the "Order"). The Order directed the Company to file tariff amendments necessary to implement the emergency summer cooling credit program and to provide for recovery through the Revenue Decoupling Mechanism ("RDM").

Tariff Changes

Pursuant to the Order, the Company is filing changes to its Electric and PASNY Tariffs as described below.

- The Company added new Special Provision I under SC 1 in the Electric Tariff to describe the provisions for the new Emergency Summer Cooling Credit ("ESCC"). The ESCCs will be provided to Customers active in the Company's Low Income Program under Rider S as of June 11, July 10, August 10, and September 10, 2020. The ESCCs will be determined based on the total credit amounts specified in the Order for each period divided by the number of Customers active in the Low Income Program as of the dates above. The ESCC, inclusive of gross receipts tax ("GRT") and sales tax, shall not exceed \$40 for each period. The Company will apply the credit to eligible Customers' accounts to appear on their bills scheduled to be issued monthly from June 16 through October 14, 2020. Should a Customer's bill not be rendered on the scheduled billing date, the credit will appear on the Customer's bill when it is rendered, with no impact to the credit the Customer will receive pursuant to this program. The ESCC will not be prorated. Special Provision I under SC 1 will direct customers to the Statement of Emergency Summer Cooling Credit, showing the ESCC for each period. The Company will file such Statement with the Commission on not less than one business day's notice prior to the effective date.
- The Company is filing its new Statement of Emergency Summer Cooling Credit – ESCC Statement No. 1 to the Electric Tariff. The ESCC effective June 16, 2020 was calculated to be \$31.40 per month. Customers will receive the applicable GRT and sales tax, as a further credit, on this credit amount. The ESCC was determined based on the budget for the first period specified in the Order divided by the number of active customers in the Low Income Program as of June 11, 2020. The number of active customers in the Low Income Program as of June 11, 2020 is 437,380.
- Consistent with the Low Income Discount under Rider S, the Company revised the GRT section of the Electric Tariff to specify that the ESCC will be assessed at the delivery GRT rate.
- The RDM sections of the Electric and PASNY Tariffs have been revised to increase each class's RDM amounts to be collected after January 1, 2021 through the end of the Rate

Plan in Case 19-E-0065, to reflect each class's share of the partial recovery of costs related to the ESCCs.

Conclusion and Notice

As directed by Ordering Clauses 1 and 2 of the Order, the tariff amendments and statement are filed, on not less than one day's notice and not less than one business day's notice, respectively, to become effective on June 16, 2020. Pursuant to the Commission's Errata Notice, issued June 15, 2020, in Case No. 20-M-0231, the Commission has waived the requirements for newspaper publication.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
