Re: Case 20-M-0029 – In the Matter of the 2019 Amendment to the Public Service Law, Section, 66-p (C. 705, L. 2019), Relating to Billing Information for Residential Rental Premises.

Dear Secretary Philips:

Pursuant to the *Notice of Tariff Filings Due to Amendment of the of the Public Service Law* (“Notice”) issued by the Secretary on January 22, 2020 in the above-captioned proceeding, and subsequent discussions with Staff, the New York Municipal Power Agency (“NYMPA”) hereby submits the following tariff amendments, to become effective August 1, 2020:

1. A third revised Leaf 3, adding a reference to a new Subsection D. titled “Tenant Energy Bill Data” under Section VI. “Special Services On Customer Premises” in its Table of Contents; and
2. A third revised Leaf 33, adding the new Subsection D.

NYMPA had originally submitted proposed tariff revisions to comply with changes to New York State Public Service Law Section 66-p in this proceeding on March 10, 2020. After discussions with Department of Public Service Staff and other utilities, NYMPA is filing additional changes to its March 10 filing.

Hon. Michelle L. Phillips

NYMPA requests waiver of newspaper publication of this change, since it merely effectuates a change in public service law. In addition, because NYMPA's 35 members are located throughout the State, newspaper publication is impractical.

Please contact the undersigned should you have any questions.

Respectfully Submitted,
