**Re: Case 19-G-0746**  
**Further Tariff Revisions – General Housekeeping**

Dear Secretary Phillips,

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) hereby submits the following revisions to its tariff, P.S.C. No. 9 – GAS:

<u>Section No.</u>	<u>Leaf No.</u>	<u>Revision No.</u>	<u>Superseding Revision No.</u>
0	43	4	3

By way of background, the Company filed general housekeeping corrections to Leaf 43 of the Company’s tariff on December 5, 2019. After coordination with Department of Public Service Staff, Distribution is now filing further revisions to the proposed tariff language to address meter readings during holidays, non-work days, or in extremely difficult conditions. The initial amendment had an effective date of April 1, 2020 and was subsequently postponed to June 1, 2020. The effective date of the instant tariff revision is July 1, 2020.

Concurrent with this filing, Distribution respectfully requests a waiver from the requirements of Public Service Law §66(12) and 16 NYCRR §720-8.1, pertaining to newspaper publication. The proposed tariff changes are being made for consistency and clarification purposes, the revisions are largely non-substantive in customer effect, and therefore the expense of publication would not serve the public interest.

If you have any questions regarding the Company's tariff filing, please contact me at your convenience.

Respectfully submitted,

/s/ Jeffrey B. Same
