¹ Order Suspending Minor Rate Filing, *Minor Rate Filing of Village of Freeport to Increase Its Annual Revenues by about \$1,259,574 or 4.65%*, Case No. 19-E-0538 (April 23, 2020) at Ordering Para. 3.

publication regarding this filing was subsequently made in accordance with the Commission's regulations in the local newspaper. In consultations with Staff and to allow for a thorough review of the Village's application, the Village filed a series supplements to postpone the effective date to May 1, 2020. Due to the Village's concern regarding the negative impacts of the Coronavirus pandemic on Village residents, the Village subsequently filed a deferral of the effective date of the rate increase through September 30, 2020. On April 23, 2020, the Commission issued an Order suspending the proposed revisions through August 28, 2020 and directed the Village to file a supplement announcing the further suspension of the amendments.

Pursuant to Ordering Paragraph No. 3 of the Commission's Order, attached for filing with the Commission is Supplement No. 7 to P.S.C. No. 9 – Electricity issued by the Village of Freeport and effective on one day's notice. The Village respectfully requests a waiver of newspaper publication of this Supplement.

Respectfully submitted,

/s/ Jeffrey C. Genzer
