Dear Ms. Burgess:

This electronic filing for the Level 3 Telecom of New York, LP, NY PSC Tariff No. 2 grandfathers the Company's SIP Trunking service. This service will no longer be available to new business customers. The existing customers may retain the service as long as the Company continues to offer it and as long as the customer does not move to another address or make changes to their service after the effective date. Customers were notified of the change in April and a copy of that notification is included with this filing.

The Company respectfully requests that the proposed changes become effective on June 30, 2020. Should you have any questions regarding this filing, please contact Sharon Alvarado at 720-779-8234.

Respectfully submitted,

A handwritten signature in black ink that reads "Marla Hazlett". The script is cursive and fluid.
