Meter Reading and Rendering of Bills Section of the Tariff**

Dear Secretary Phillips:

Transmitted herewith for filing with the New York State Public Service Commission ("Commission") is a copy of Leaf 48, Version 1 to Pennsylvania Electric Company Waverly District's ("Penelec") P.S.C. No. 7 – Electricity, issued on May 29, 2020. The leaf update contained in this filing is proposed to become effective October 1, 2020.

On January 22, 2020 the Secretary of the Commission issued a notice entitled "Notice of Tariff Filings Due to Amendment of the Public Service Law" identifying the recent changes to PSL §66-p and prompting New York gas, electric and municipal utilities to review their respective tariffs to ensure compliance. On May 7, 2020, the Commission issued an additional letter providing notice to all regulated gas and electric utilities regarding these same changes and requesting any tariff revisions, if not already made, required to comply with PSL §66-p. The purpose of this filing is to amend Penelec's tariff in a manner consistent with PSL §66-p.
