**Re: Case No. 14-G-0551: National Fuel Gas Distribution Corporation
Proposed Tariff Amendments**

Dear Secretary Burgess:

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits the following amendments to its tariff, P.S.C. No. 8 - GAS:

Leaf No. 148.16

Revision 1

The proposed amendments are issued as of today for an effective date of June 1, 2015.

Distribution submitted proposed tariff revisions to the New York Public Service Commission (“NYPSC” or “Commission”) seeking, *inter alia*, authorization of the partnership to revitalize the industrial manufacturing economy of western New York (“Prime-WNY”). On May 15, 2015, the Commission issued an order authorizing the Prime-WNY program and directing Distribution to make certain modifications to the Prime-WNY tariff language (“May 15th Order”).

Pursuant to the May 15th Order, the Prime-WNY tariff amendments shall become effective on June 1, 2015 if the above-referenced modifications are filed on not less than one day’s notice. The May 15th Order further indicates that the requirements of Public Service Law §66(12) (b) and 16 NYCRR §720-8.1 as to newspaper publication are waived as to this filing.

For questions relating to this filing, please contact Jeremy Barber at (716) 857-7226 or the undersigned at (716) 857-7237.

Respectfully submitted,
