6<sup>th</sup> Revised Leaf No. 163.5.15

**Background**

On April 3, 2015 the Company prepared a compliance filing to effectuate amendments to Sections 66-j of the Public Service Law in compliance with the Notice Establishing Filing Requirements issued January 15, 2015.

**Tariff Amendments**

The purpose of this filing is to make further revision to the filing made on April 3, 2015, Case 15-E-0031, with an effective date of July 27, 2015, to amend the tariff leaves adding Farm Waste to the list of Non-Residential Generation.

Since customers participating in net metering are subject to interconnection requirements and are therefore in direct contact with Central Hudson, the Company requests that the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein be waived.
