Honorable Kathleen H. Burgess, Secretary  
New York State Department of Public Service  
Three Empire State Plaza  
Albany, NY 12223-1350

Dear Secretary Burgess:

The enclosed statements, issued by Rochester Gas and Electric Corporation ("RG&E" or the "Company"), are transmitted for filing in compliance with the requirements of the Public Service Commission ("PSC" or "Commission") of the State of New York:

P.S.C. No. 16 - Gas

Gas Supply Charge (GSC)	Statement No. 148	Effective: May 1, 2015
Incremental Gas Supply Charge (IGSC)	Statement No. 93	Effective: May 1, 2015
Large Transportation Service Rate Adjustment (LTSR)	Statement No. 136	Effective: May 1, 2015
Small Transportation Service Rate Adjustment (STSR)	Statement No. 136	Effective: May 1, 2015
Merchant Function Charge (MFC)	Statement No. 56	Effective: May 1, 2015

Due to a change in gas pipeline contracts, RG&E is replacing the DSR storage assets with Empire storage assets in the calculations for the GSC and Small Transportation Service Rate Adjustment.

These rates will continue in effect until there are changes in the cost of gas that require modifications.

Respectfully submitted,
