Re: Case 15-E-0092

Dear Secretary Burgess:

By letter dated February 2, 2015, Orange and Rockland Utilities, Inc. (the "Company") filed with the Public Service Commission (the "Commission") amendments to its Schedule for Electric Service, PSC No. 3 – Electricity, to become effective May 18, 2015 proposing the addition of language to clarify when a bill must be paid by before late payment charges begin to take effect.

To allow additional time for review of the filing, the Company is requesting a postponement of the effective date of the proposed tariff amendment as agreed to with Commission Staff. The Company accordingly files Supplement No. 9 to postpone the effective date of the tariff amendment included in February 22, 2015 filing to June 22, 2015. Supplement No. 9 is issued April 22, 2015 with an effective date of May 22, 2015.

The Company respectfully requests that it be authorized to put this supplement filed today into effect on short notice, May 18 2015. The Company also respectfully requests waiver of notice requirements of the proposed change in the effective date.

Any questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/
