Re: CASE 14-E-0569 - Tariff filing by Fishers Island Electric Corporation to increase its annual revenues by about \$300,000 or 17.96% contained in P.S.C. No. 2 - Electricity.

Dear Secretary Burgess:

On December 30, 2014 Fishers Island Electric Corporation (Fishers Island) made a tariff filing to increase annual revenues by approximately \$300,000 or 17.96%. Following discussions with Department Staff, Fishers Island proposes to cancel the filing because we intend to re-file with our updated 2014 financials once completed.

Attached is Supplement No. 1 to P.S.C. No. 2 - Electricity which cancels the filing. The proposed supplement has an effective date of May 1, 2015. Fishers Island requests a waiver of newspaper publication for this Supplement.

Sincerely,

John C. Finan  
President, Fishers Island  
Electric Corp.
