The above statement is being filed in accordance with Rule No. 46.4-Supply Service Charges in PSC No. 220 Electricity. Attachments 1 and 2 of this filing display the derivation of these charges.

In accordance with the Order issued on April 25, 2014 in Case 14-E-0026, the P.S.C No. 220 statement includes the reconciliation of the remaining deferral balance related to the mass market credits provided to SC-1 and SC-2ND customers in February 2014 bills. The details of the remaining balances by load zone are included in Attachment 2 of this filing.

This Supply Service Charge Statement is to be filed with the Commission on not less than three (3) business days notice before the effective date. Supply Service Statement No.40 is effective March 31, 2015 for batch billed customers, and April 1, 2015 for calendar month billed customers.
