RE: Case 14-S-0382, Changes to Con Edison's Steam Tariff

Dear Secretary Burgess:

On August 28, 2014, Consolidated Edison Company of New York, Inc. (the "Company") made a tariff filing with the Public Service Commission (the "Commission"), proposing changes to its Schedule for Steam Service, P.S.C. No. 4 – Steam. The filing had a proposed effective date of December 10, 2014.

At Staff's request, the Company postponed to January 16, 2015, and, later, to February 20, 2015, and March 10, 2015, the effective date of the tariff changes. Staff has requested a further postponement. Accordingly, the Company hereby submits Supplement No. 14 to P.S.C. No. 4 – Steam to postpone the effective date of the tariff changes to April 10, 2015.

The Supplement is issued on 30 days' notice and has an effective date of March 13, 2015. However, since the tariff leaves currently have an effective date of March 10, 2015, the Company requests that it be authorized to put the Supplement filed today into effect on short notice, i.e., March 10, 2015. The Company also respectfully requests waiver of notice requirements of the proposed change in the effective date.

The Company respectfully requests waiver of notice requirements of the proposed change in the effective date.

Sincerely,
