Honorable Kathleen H. Burgess, Secretary
New York State Department of Public Service
Three Empire State Plaza
Albany, NY 12223-1350

Dear Secretary Burgess:

The enclosed statements, issued by Rochester Gas and Electric Corporation ("RG&E" or the "Company"), are transmitted for filing in compliance with the requirements of the Public Service Commission ("PSC" or "Commission") of the State of New York:

P.S.C. No. 16 - Gas

Gas Supply Charge (GSC)	Statement No. 144	Effective: Jan. 1, 2015
Incremental Gas Supply Charge (IGSC)	Statement No. 89	Effective: Jan. 1, 2015
Large Transportation Service Rate Adjustment (LTSR)	Statement No. 132	Effective: Jan. 1, 2015
Small Transportation Service Rate Adjustment (STSR)	Statement No. 132	Effective: Jan. 1, 2015
Merchant Function Charge (MFC)	Statement No. 52	Effective: Jan. 1, 2015

RG&E has incorporated a surcharge for the reconciliation of purchased gas costs and gas cost recoveries for the 12 months ended August 31, 2014. The surcharge will remain in effect for the 12-month period beginning January 1, 2015. The supporting data and workpapers underlying the gas supply costs are filed monthly with the GSC statement.

In compliance with PSC Order in Case 14-G-0379, issued and effective December 11, 2014, the Company is changing the denominator used in the calculation of the Gas Supply Charge (GSC) from historical normalized sales to forecasted normalized sales. Also this month, the Company will be providing Appendix 7-H workpapers with the GSC filing (under trade secret protection).

These rates will continue in effect until there are changes in the cost of gas that require modifications.

Respectfully submitted,

Mark O. Marini
