Re: Case 14-E-0418

Dear Secretary Burgess:

By letter dated September 15, 2014, Orange and Rockland Utilities, Inc. (the "Company") filed with the Public Service Commission (the "Commission") amendments to its Schedule for Electric Service, PSC No. 3 – Electricity, to become effective December 15, 2014 proposing the addition of language to clarify when a bill must be paid by before late payment charges begin to take effect. At the request of Commission Staff, the Company filed Supplement No. 4 on October 16, 2014, postponing the effective date of the tariff amendment to January 15, 2015 and Supplement No. 6 on December 11, 2014, further postponing the effective date of the tariff amendment to February 15, 2015.

After further discussions with Commission Staff, the Company is filing Supplement No. 7 that cancels Leaf 91, Revision 1. The Company expects to file clarifying changes pertaining to the late payment charge in the near future.

The supplement is issued on 30 days' notice, and has an effective date of February 8, 2015. The Company requests waiver of notice requirements of the proposed cancellation of the tariff leaf.

Any questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.
Director – Rate Engineering
