RE: Tariff Filing by the Village of Hamilton Municipal Utilities Commission to Correct a Typographical Error.

Dear Secretary Burgess:

The Village of Hamilton Municipal Utilities Commission ("Hamilton") hereby submits revised Leaves 99 and 101 to its tariff, P.S.C. No. 1 – Gas Tariff. The revisions are being submitted to correct a typographical error in the Tariff. The Leaves, as filed, incorrectly identified 50,000 cubic feet as the threshold between Service Classifications 2, and 3 – Small and Large Commercial. The correct threshold should be 5,000 mcf per year.

Because Hamilton considers these revisions to be housekeeping changes having no direct impact on customers, Hamilton requests that the requirements of 66(12)(b) of the Public Service Law as to newspaper publication for the revisions described above be waived.

Please contact the undersigned should you have any questions.

Respectfully submitted,
