Secretary
New York Public Service Commission
Three Empire State Plaza

Dear Secretary Burgess:

On September 15, 2014 Citizens Telecommunications Company of New York, Inc. d/b/a Frontier Communications of New York filed to detariff non-basic retail telecommunications services with Matter No. 14-00702. Since this filing Jenny Quick from the commission staff brought to our attention that she would like to see some of the General Regulations (relevant to Basic Service) put in the tariff. This filing puts those General Regulations into the tariff under a new Section (Section 8).

If there are any questions, please contact Tanya Swanson at (651) 257-4835 or Leslie Zink at (585) 777-4717.

Sincerely,

/s/ **Leslie Zink**
