Re: Statement of Delivery Revenue Surcharge No. 4

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. ("Con Edison" or "the Company") is filing today with the New York State Public Service Commission (the "Commission") Statement of Delivery Revenue Surcharge No. 4, effective February 1, 2015.

Statement of Delivery Revenue Surcharge No. 4
for Service Classification Nos. 1, 2, 3 and 9
Effective February 1, 2015

Explanation of Filing

Pursuant to the "make whole" provision of the Joint Proposal adopted by the Commission in Case 13-G-0031¹, the Company will recover or refund any revenue under- or over-collections, including interest, that result from the extension of the suspension period in that case. On March 27, 2014 the Company filed Statement of Delivery Revenue Surcharge No. 1 effective April 1, 2014 and subsequently filed a revision to the SC1 rate effective June 1, 2014. The Joint Proposal ("JP") in the aforementioned case indicated the "make whole" adjustments "will be subject to reconciliation" (JP p. 6). The Company is hereby filing the Statement of Delivery Revenue Surcharge No. 4 to reconcile the difference between "make whole" revenue targets and actual revenues collected from/refunded to customers over the period April – December 2014.

Summary

The rates for SC 1 and SC 2 Rider H and their SC 9 equivalents are designed to be in effect for the month of February 2015. The rates for the classes subject to the RDM are designed to be in effect from February 1, 2015 through December 31, 2015.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
