Re: Case 14-G-0453

Dear Secretary Burgess:

By letter dated October 1, 2014, Orange and Rockland Utilities, Inc. (the "Company") filed with the Public Service Commission (the "Commission") 15th Revised Leaf No. 155 to its Schedule for Gas Service, PSC No. 4 – Gas to become effective January 10, 2014. The filing involved the Company's Winter Bundled Sales service charge and was made to remove language that the Company inadvertently kept in its compliance filing made in Case No. 08-G-1398 on October 30, 2009.

After discussions with Commission Staff, the Company is filing Supplement No. 57 that cancels 15th Revised Leaf No. 155. Supplement No. 57 is issued December 9, 2014 with an effective date of January 9, 2015.

The Company requests that the requirements for newspaper publication be waived since this filing only serves to cancel a leaf that will not go into effect.

Any questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.
Director – Rate Engineering
