Re: Case 14-G-0419

Dear Secretary Burgess:

By letter dated September 15, 2014, Orange and Rockland Utilities, Inc. (the "Company") filed with the Public Service Commission (the "Commission") amendments to its Schedule for Gas Service, PSC No. 4 – Gas, to become effective December 15, 2014 proposing the addition of language to clarify when a bill must be paid by before late payment charges begin to take effect. At the request of Commission Staff, the Company filed Supplement No. 56 on October 16, 2014, postponing the effective date of the tariff amendment to January 15, 2015.

To allow additional time for review of the filing, the Company is requesting a further postponement of the effective date of the proposed tariff amendment to February 15, 2015 as agreed to with Commission Staff. The Company accordingly files Supplement No. 59 to postpone the effective date of the tariff amendment included in its September 15, 2014 filing.

The supplement is issued on 30 days' notice, and has an effective date of January 11, 2015. The Company requests waiver of notice requirements of the proposed change in the effective date of the tariff leaf.

Any questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/
