Re: Tariff Changes in Connection with Detariffing on Non-Basic Retail Services

Dear Secretary Burgess:

The enclosed tariff pages, which are listed in the Attachment to this letter, are issued by Verizon New York Inc. ("Verizon") and are transmitted for filing in accordance with the requirements of the Public Service Commission, State of New York, to be effective April 15, 2014.

The proposed revisions indicate that certain services will be transferred to Verizon's Product Guide. Customers will be bound by the terms, conditions and pricing in the Product Guide if they purchase services from the Product Guide or if they have purchased tariffed services and continue to use these services after the services are transferred to the Product Guide.

Customers were notified of the detariffing of non-basic retail services in a bill message in their January or February bills. Accordingly, we respectfully request that any applicable newspaper publication requirements be waived for this filing.

Very truly yours,

A handwritten signature in black ink that reads "Keefe B. Clemons".
