Re: Dedicated Transport Fixed Mileage

Dear Secretary Burgess:

The following schedule, issued by Verizon New York Inc. ("Verizon"), is transmitted for filing in accordance with the requirements of the Public Service Commission, State of New York, to be effective April 1, 2014:

PSC NY No. 8—COMMUNICATIONS

Section 6

3rd Revised Page 28

Section 35

2nd Revised Page 13

The proposed revisions add tariff language to specify that a fix charge for dedicated transport no longer applies when the mileage is zero.

Because this filing will result in a rate reduction for some customers, and will not increase any customer's rates, we respectfully submit that this is a "routine" filing within the meaning of the Commission's December 27, 2000 "Order Waiving Newspaper Publication for Certain Routine Tariff Filings" in Case 99-M-1571, and that accordingly newspaper publication is not required. In any event, an industry letter will be electronically distributed to customers as well as posted on Verizon's wholesale web site.

Very truly yours,

A handwritten signature in black ink that reads "Keefe B. Clemons".
