Re: Magnetic Tape Option

Dear Secretary Burgess:

The enclosed tariff pages, which are listed in the Attachment to this letter, are issued by Verizon New York Inc. and are transmitted for filing with the Public Service Commission, State of New York, to be effective March 30, 2014.

The proposed revisions eliminate the option of having monthly billing and call detail information provided on magnetic tape, magnetic cartridge and diskette. These media are regarded as obsolete and no longer provided by the Company. Customers continue to have the option of receiving bills and call detail information on paper or electronic media.

The elimination of this option will not adversely impact any customer. We respectfully submit that this is a "routine" filing within the meaning of the Commission's December 27, 2000 "Order Waiving Newspaper Publication for Certain Routine Tariff Filings" in Case 99-M-1571, and that accordingly newspaper publication is not required.

Very truly yours,

A handwritten signature in black ink that reads "Keefe B. Clemons".
