RE: Case 14-E-0026 - Petition of Niagara Mohawk Power Corporation d/b/a National Grid for Waiver of
Tariff Rule 46.3.2

Dear Secretary Burgess:

The attached statement, issued by Niagara Mohawk, d/b/a/ National Grid ("Company"), is being transmitted for filing in accordance with the requirements of the New York State Public Service Commission ("Commission"):

Statement of Supply Service Charges No. 26
To P.S.C. No. 214 Electricity
Effective: January 30, 2014

The above statement is being filed in accordance with Rule No. 46.4-Supply Service Charges in PSC No. 220 Electricity. Attachments 1 and 2 of this filing display the derivation of these charges.

As explained in Case 14-E-0026 - Petition of Niagara Mohawk Power Corporation d/b/a National Grid for Waiver of Tariff Rule 46.3.2, the Company included a credit to the mass market adjustment to stabilize mass market customer bills and protect against the bill impacts of increased commodity costs.

This Supply Service Charge Statement is to be filed with the Commission on not less than three (3) business days notice before the effective date. However, the Company received a one day extension for filing SSCS No. 26. Supply Service Statement No.26 is effective January 30, 2014 for batch billed customers, and February 1, 2014 for calendar month billed customers.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Pamela B. Dise
