Re: Modification to Central Hudson Gas & Electric Corporation
Service Classification No. 11 MDQ Provisions

Dear Commissioners:

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on November 22, 2013 to become effective March 1, 2014.

P.S.C. No. 12 – Gas

8th Revised Leaf No. 184

The purpose of this filing is to modify Special Provision 11.5 under Service Classification No. 11, which incorporates a discussion of downward revisions to Maximum Daily Quantity ("MDQ"). The Company's existing tariff only discusses downward adjustments to MDQ for customers taking service under Distribution Service – Large Mains. The Company herein files tariff language to incorporate all Service Classification No. 11 customers under the aforementioned special provision, including Transmission and Distribution Service customers.

Given the extremely limited number of customers (currently four) impacted by this proposal and as the Company is in constant contact with these larger customers, the Company requests that the requirements of 66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein be waived.

Questions related to this filing should be directed to Amy Dittmar at adittmar@cenhud.com or (845) 486-5433.

Yours very truly,

Michael L. Mosher
Vice President - Regulatory Affairs
