RE: Case No. 13-E-0424 – Notice Establishing Filing Requirements

Dear Secretary Burgess:

The attached leaves, issued by Niagara Mohawk Power Corporation, d/b/a National Grid (“Company”), are being transmitted for filing in compliance with the notice issued September 18, 2013 by the New York State Public Service Commission (“Commission”) in the above case number.

Seventh Revised Leaf No.197
Sixth Revised Leaf No. 198
Ninth Revised Leaf No. 199.1
Original Leaf No. 199.1.1

To P.S.C. No. 220 Electricity

Effective: February 1, 2014

This filing is being made in compliance with the above notice which directed the electric utilities listed to file tariff revisions necessary to conform their tariffs to recent changes to the new requirements in Chapters 200 and 253 of the Laws of 2013. Chapter 200 relates to eligibility for remote net metering of fuel cell electric generating equipment on property owned or leased by non-residential customers and customers that own or operate a farm operation. Chapter 253 relates to the capacity eligible for net metering of photovoltaic electric generating systems owned or operated by customers utilizing residential meters that own or operate a farm operation.

The attached proposed leaves comply with this directive. Attachment 1 included with this filing indicates where the proposed changes have occurred.

Please advise the undersigned of any action taken regarding this filing.

Sincerely,

/s/ Patricia J. Rivers
