RE: Case 13-E-0232 – In the Matter of the Distribution of
Constellation Energy Commodities Group, Inc. Settlement
Funds in Accordance with Federal Energy Regulatory
Commission Directive.

Dear Secretary Burgess:

Orange and Rockland Utilities, Inc. (the “Company”) hereby submits for filing 2nd Revised Leaf No. 250 to its Schedule for Electric Service, P.S.C. No. 3 – Electricity (“Electric Tariff”). The revised tariff leaf is issued September 30, 2013 to become effective October 1, 2013.

Reason for Filing

An Electric Tariff change is being filed pursuant to the Commission’s Order Distributing Constellation Settlement Refunds to Electric Utility Customers (the “Order”), issued and effective September 20, 2013, in the above-referenced case.

Tariff Change

As directed by Ordering Clause 2 of the Order, the Company is filing an Electric Tariff change to General Information Section No. 25 to refund to its full service and retail access customers, through the Energy Cost Adjustment (“ECA”), its customers’ share of the Constellation settlement refund. The refund through the ECA will total \$1,358,400 plus any interest disbursement from NYSERDA¹.

¹ For contract customers who are not charged the ECA, the Company will allocate a dollar share of the refund based on the contract customer’s share of total delivery revenue in the Rate Year that the refund is passed back to customers.
