RE: Case No. 13-E-0337 – Niagara Mohawk Power Corporation – Revisions to Rule No. 34.3 - Empire Zone Rider, Rule No. 34.7 – Excelsior Jobs Program and Service Classification No. 4.

Dear Secretary Burgess:

The attached leaves, issued by Niagara Mohawk Power Corporation, d/b/a National Grid (“Company”), are being transmitted for filing in accordance with the requirements of the Public Service Commission (“Commission”), State of New York.

Third Revised Leaf No. 194.6

To PSC No. 220 Electricity

Effective: October 21, 2013

The purpose of this filing is to revise the filing issued to the Commission proposing to revise the applicability provisions and make minor clarifying revisions to Rule No. 34.3-Empire Zone Rider (EZR), Rule No. 34.7 Excelsior Jobs Program (EJP), and Service Classification No. 4 – Untransformed Service to Certain Customers Taking Power from Projects of the New York Power Authority. After issuing this filing, it was discovered that an additional revision was needed to the above leaf which was included in the original filing submitted July 26, 2013.

Attachment 1 included with this filing contains a redlined leaf to show where the change to the above leaf has occurred.

Because of the clarifying nature of this filing, waiver of the newspaper publication requirements of PSL §66-12 and 16NYCRR 720.8 is requested for this filing. Service Classification No. 4 customers will be notified of the above revisions when they apply for EZR or EJP.

Please contact the undersigned of any action taken regarding this filing.

Sincerely;
