Re: Case 13-G-0186, Temperature Control Elimination

Dear Acting Secretary Cohen:

By the letter dated April 25, 2013, Consolidated Edison Company of New York, Inc. ("the Company") filed with the Public Service Commission ("Commission") tariff amendments to its Schedule for Gas Service, P.S.C. No. 9 – Gas ("the Tariff"), to become effective August 1, 2013. The amendments to the Gas Tariff include elimination of the Temperature Control Option as a means of interruptions for SC 9 transportation and SC 12 sales interruptible gas service.

Department of Public Service Staff has requested a postponement of the effective date of the proposed tariffs to October 1, 2013, to allow time for further review of the proposed changes.

The Company accordingly files Supplement No. 49 to postpone the effective date of the tariff amendments included in its April 25, 2013 filing to October 1, 2013. Supplement No. 49 is issued July 1, 2013, with an effective date of July 31, 2013. The Company also respectfully requests waiver of notice requirements of the proposed change in the effective date.

Sincerely,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
