Re: SLIC Network Solutions - Concurrence

Dear Acting Secretary Cohen:

The following tariff schedule, issued by Verizon New York Inc., is transmitted for filing in accordance with the requirements of the Public Service Commission, State of New York, to be effective June 30, 2013:

PSC NY No. 11--COMMUNICATIONS
Concurring Carriers
10th Revised Page 2

The proposed tariff revises SLIC Network Solutions Inc.'s concurrence in the PSC NY No. 11--COMMUNICATIONS Tariff to show that concurrence will end when revoked by official notice filed with the Public Service Commission and reinstates the language originally filed for Y Tell, Inc. which was inadvertently changed in a previous filing.

The Company respectfully requests that newspaper publication requirements be waived for this filing, in view of the fact that the underlying tariff provisions that are being concurred in are already approved and effective.

Very truly yours,

A handwritten signature in black ink that reads "Keefe B. Clemons".
