Case 11-E-0176 et al.: Compliance by Central Hudson Gas & Electric Corporation

Dear Commissioners:

The tariff amendments set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company") on April 25, 2013 to become effective May 1, 2013:

P.S.C. No. 15 – Electricity

1st Revised Leaf No. 163.5.32
Original Leaf No. 163.5.32.1
2nd Revised Leaf No. 163.5.35

Pursuant to Ordering Clause No. 1 of the March 18, 2013 Order in Case 11-E-0176 et al., as well as the filing extension granted on March 25, 2013, Central Hudson hereby files the above tariff revisions to allow a customer participating in Recharge New York ("RNY") for their power supply to receive their choice of delivery discount on such load that is eligible either through RNY or the Excelsior Jobs economic development program ("EJP") provided the customer meets the eligibility requirements for both programs. The amendments also address the requirement that the RNY delivery discount may be combined with the delivery discount from the EJP on the same load as long as the requesting customer demonstrates to the Company a financial need for such combination.

Pursuant to Ordering Clause No. 5 of the aforementioned Order, requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein have been waived.

Questions related to this filing should be directed to Linda VanEtten (845) 486-5554 or lvanetten@cenhud.com.
