Honorable Jeffrey C. Cohen, Acting Secretary
State of New York
Public Service Commission
Office of the Secretary, 19th Floor
Three Empire State Plaza
Albany, New York 12223-1350

Dear Acting Secretary Cohen:

In accordance with Section 720-2 *et al.* of the Commission's Regulations, 16 NYCRR § 720-2 *et al.*, KeySpan Gas East Corporation d/b/a National Grid ("National Grid" or "Company") hereby submits the following tariff leaves to become effective June 1, 2013:

Sixth Revised Leaf No. 184
Second Revised Leaf No. 192
To Schedule for Gas Service, P.S.C. No. 1-GAS

National Grid made a filing on February 25, 2013 to amend the Company's tariff to add and clarify provisions related to electric generators that take transportation service under Service Classification No. 7– Interruptible Transportation Service ("SC 7") and Service Classification No. 14– Non-Core Transportation Service for Electric Generation ("SC 14"). After discussion with Staff, it has been determined that further revisions to the tariff are necessary to clarify: 1) the Platt's Gas Daily published indices that will be used to calculate the daily gas sales price and daily gas purchase price; and 2) that payment of daily balancing charges to the Company is the responsibility of the customer rather than the gas balancing agent.

Please contact the undersigned with any questions regarding this letter or the enclosure.

Very truly yours,
