Re: Case 12-E-0393: Order Modifying Remote Net Energy Metering Tariff and Modifying Standardized Interconnection Requirements

Dear Commissioners:

In compliance with Ordering Clause No. 4 of the Commission's Order in Case 12-E-0393 issued and effective March 15, 2013, Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company") hereby files the addendum listed below to become effective on April 1, 2013. In addition, the listed tariff leaves are being filed in compliance with Ordering Clause No. 2 in this case.

P.S.C. No. 15 – Electricity

Addendum SIR No. 14 – Standardized Interconnection Requirements

4th Revised Leaf No. 163.5.6
4th Revised Leaf No. 163.5.7
3rd Revised Leaf No. 163.5.8
2nd Revised Leaf No. 163.5.9

The purpose of this filing is to conform the Company's tariff to the Standardized Interconnection Requirements adopted by the Commission on March 15, 2013 in Case 12-E-0393 and comply with Ordering clause No. 2 modifying Remote Net Metering Tariff leaves to address residential customers who own or operate a farm operation and locate photovoltaic or micro-hydroelectric generating equipment on property that they own or lease and for the Company to remove any reference to "farm micro-hydroelectric customers."

Ordering clause 2 also included "Farm Waste" which is already included in the Company's approved and currently effective tariff.

As directed in Ordering Clause No. 3 of the Commission's March 15, 2013 Order in this Case, the requirements of 66(12)(b) of the Public Service Law as to newspaper publication have been waived.

Questions related to this filing should be directed to Linda VanEtten at (845) 486-5554.
