Dear Acting Secretary Cohen:

In accordance with Section 720-2 *et al.* of the Commission's Regulations, 16 NYCRR § 720-2 *et al.*, The Brooklyn Union Gas Company d/b/a National Grid NY ("National Grid NY" or "Company") hereby submits the following tariff leaf to become effective August 1, 2013:

Sixth Revised Leaf No. 407
To Schedule for Gas Service, P.S.C. No. 12 - GAS

The purpose of this filing is to amend the Company's tariff to remove language that states a Seller must deliver supply to the Company by means of the Tier 1 released capacity under Service Classification No. 19 – Seller Transportation Aggregation Service. This winter, Sellers will only need to deliver supply on the Selected Pipelines and will no longer have to meet the requirement to deliver on Tier 1 released capacity.

In accordance with Section 720-2.3 of the Commission's Regulations, a proposed notice of this filing suitable for use under the State Administrative Procedure Act is also enclosed.

Please contact the undersigned with any questions regarding this letter or the enclosure.

Very truly yours,

Dawn Herrity
