Re: Initial Tariff of CenturyLink Public Communications, Inc.
d/b/a CenturyLink

Dear Secretary Burgess:

Enclosed for filing with the Commission is the proposed initial intrastate tariff New York PSC Tariff No. 1 of CenturyLink Public Communications, Inc. d/b/a CenturyLink. The tariff covers the provision of Inmate Calling Services. This tariff is associated with a Petition for a Certificate of Public Convenience and Necessity filed on behalf of CenturyLink Public Communications on October 28, 2014. That Petition was assigned matter number 14-02130.

The effective date on the tariff filed herein is January 30, 2015, 90 days following the filing date. However, it is respectfully requested that the tariff be permitted to become effective on such earlier date as the Commission may grant the Petition for a Certificate of Public Convenience and Necessity.

Please address all questions to the undersigned.

Sincerely,

Keith J. Roland
