Dear Secretary Burgess:

Re: Village of Fairport - Electric Rates Case 14-E-0267

On July 9, 2014, the Village of Fairport (the Village) made a tariff filing for approval to increase its electric rates with the Public Service Commission. The tariff changes were proposed to become effective on October 6, 2014.

At the request of the Staff of the Department of Public Service, the Village has agreed to postpone the effective date of the filing to November 1, 2014. Accordingly, the Village hereby submits Supplement No. 1 to P.S.C. No. 1 – Electricity. This Supplement is issued on 30 days' notice and has an effective date of October 5, 2014. The Village requests waiver of the requirements of newspaper publication of the proposed change of the effective date contained in the Supplement.

Sincerely,

Bryan L. White
Village Manager
