Re: Case 14-G-0181

Dear Secretary Brilling:

By letter dated May 14, 2014, Orange and Rockland Utilities, Inc. (the "Company") filed with the Public Service Commission (the "Commission") amendments to its Schedule for Gas Service, PSC No. 4 – Gas to become effective August 20, 2014 proposing the addition of a provision to formalize the Company's supplier refund process. The Company subsequently filed a revision to one of the leaves contained in the May 14, 2014 filing on June 27, 2014.

The Commission Staff has requested a postponement of the effective date of the proposed tariff amendments to September 12, 2014, to allow time for further review of the proposed changes. The Company accordingly files Supplement No. 55 to postpone the effective date of the tariff amendments included in its May 14, 2014 and June 27, 2014 filings to September 12, 2014. Supplement No. 55 is issued August 1, 2014 with an effective date of August 31, 2014.

The Company respectfully requests that this supplement go into effect on short notice on or before August 20, 2014. The Company also requests that the requirements for newspaper publication be waived for the postponement.

Any questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/
