RE: Case No. 14-G-0163 - Tariff filing by KeySpan Gas East Corp. d/b/a Brooklyn Union of L.I. to align the monthly cost of gas and adjustment provisions and statements with those filed by The Brooklyn Union Gas Company d/b/a National Grid NY in Case 13-G-0439.

Dear Secretary Burgess:

KeySpan Gas East Corporation d/b/a National Grid ("National Grid" or "Company") hereby submits the following Supplement to become effective September 12, 2014:

Supplement No. 56
To Schedule for Gas Service, PSC No. 1-GAS.

After discussions with Staff of the Department of Public Service, it was determined that a postponement of the Company's July 22, 2014 tariff filing ("July 22nd Filing") in the above-referenced matter is necessary to notice the filing for comment under the State Administrative Procedure Act in accordance with Section 720-2.3 of the Commission's Regulations. The Company's July 22nd Filing made further revisions to clarify the fixed costs that are allocated to the ESCOs. The Company is proposing to postpone the effective date of all of the tariff leaves filed in this case to December 1, 2014.

Pursuant to Sections 720-2.3(b) and 720-2.4 of the Commission's Regulations, the Company respectfully requests that this supplement go into effect on short notice on or before September 1, 2014.

The Company respectfully requests a waiver of the Commission's rules and regulations regarding newspaper publication.

Hon. Secretary Burgess
