Letter # 2014-01

Dear Secretary Brillling:

The attached tariff pages, issued by AT&T communications of New York, Inc. ("AT&T"), are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York.

PSC No. 28.

Section 2	4 th Revised Leaf 22.1
Section 2	2 nd Revised Leaf 22.2
Section 2	2 nd Revised Leaf 22.3

With this filing AT&T is making revisions to the VoIP language with regards to rating of VoIP –PSTN traffic, and the calculation and application of Percent-VoIP Usage factors. The reason for this change is that a terminating VoIP factor is no longer needed in billing since all terminating traffic has been at or below parity since July 2013.

If you have any questions on this filing, please contact me on 617-574-3198

Very truly yours,

A handwritten signature in black ink, appearing to read "A. Stone", written over a horizontal line.
