**Re: Statement of Delivery Revenue Surcharge No. 2**

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. ("Con Edison" or "the Company") is filing today with the New York State Public Service Commission (the "Commission") Statement of Delivery Revenue Surcharge No. 2, effective June 1, 2014.

Statement of Delivery Revenue Surcharge No. 2  
for Service Classification Nos. 1, 2, 3 and 9  
Effective June 1, 2014

**Explanation of Filing**

This filing establishes the Delivery Revenue Surcharge, by customer group, resulting from extension of the suspension period in Case 13-G-0031.

Pursuant to the "make whole" provision of the Joint Proposal adopted by the Commission in Case 13-G-0031<sup>1</sup>, the Company will recover or refund any revenue under- or over-collections, including interest, that result from the extension of the suspension period in that case. On March 27, 2014 the Company filed Statement of Delivery Revenue Surcharge No. 1 effective April 1, 2014. Subsequently, the Company noticed that the SC1 delivery revenue calculation was understated. This filing is being made to correct this understatement in order to mitigate future reconciliation amounts.

**Summary**

The result of the aforementioned change is an increase in the SC1 rate of 0.14 cents per therm. All other rates on the statement remain the same as those filed effective April 1, 2014. These rates are designed to be in effect from June 1, 2014 through December 31, 2014.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
