Re: Case 16-G-0533 – Rochester Gas and Electric Corporation – Tariff Filing to Establish  
Service Classification No. 15 – Interruptible Sales Service and Service Classification No. 16  
– Interruptible Postponement Filing

Dear Secretary Burgess,

The enclosed Supplement, issued by Rochester Gas and Electric Corporation (“RG&E”) (the “Company”), is transmitted for filing in accordance with the requirements of the New York State Public Service Commission.

Supplement No. 33 to PSC No. 16 – Gas

Effective: April 20, 2017

Based on discussions with Department of Public Service Staff, this postponement supplement is being filed to permit additional review of the filing. The supplement proposes to postpone the effective date of the filed tariff leaves until June 1, 2017.

The Companies request that the requirement of Section 66(12)(b) of the Public Service Law 16 NYCRR Section 720-8.1 as to newspaper publication be waived as these revisions do not affect any internal procedures or processes, and will not directly impact the Companies’ customers.

If you have any questions related to this filing, please contact Linda Dent at 585.771.4701 or me at 607.762.8710.

Respectfully Submitted,

A handwritten signature in black ink that reads "Lori A. Cole".
