Amendment by National Fuel Gas Distribution Corporation**

Dear Secretary Burgess:

Supplement No. 57

The proposed Supplement is issued as of today is issued on 30 days’ notice and has an effective date of April 13, 2017.

On August 5, 2016, Distribution submitted a proposed tariff amendment in compliance with Ordering Clause 4 of *Order Authorizing Framework for Community Choice Aggregation Opt-Out Program*, issued and effective on April 21, 2016 in the above referenced case (“August 2016 Filing”). On October 19, 2016, at the request of Department of Public Service Staff (“Staff”), Distribution filed P.S.C. No. 8 – GAS Supplement No. 54 to postpone the effective date of the tariff amendment to March 1, 2017 to provide more time for Staff review. On January 11, 2017, also at the request of Staff, Distribution filed P.S.C. No. 8 – GAS Supplement No. 55 to further postpone the effective date of the tariff amendment to March 1, 2017 to provide more time for Staff review. On November 2, 2016 and on January 18, 2017, orders were issued approving those supplements.

Again at the request of Staff, Distribution is filing the instant supplement to further postpone the effective date of the tariff amendment to July 1, 2017 to provide further time for review.

Consistent with the waiver sought in the August 2016 Filing, the Company also respectfully requests waiver of any publication requirements in the Public Service Law and corresponding regulations.
