Hon. Kathleen H. Burgess, Secretary
New York State Department of Public Service
Empire State Plaza Agency
Albany, New York 12223-1350

Dear Secretary Burgess:

RE: Case 16-E-0488 - Mohawk Municipal Commission

Due to various projects undertaken by the Mohawk Municipal Commission in its Water, Sewer, Electric and DPW departments, the Mohawk Municipal Commission has not been able to devote significant and timely efforts in responding to Staff's information requests and related inquiries concerning its most recent Rate Filing. As such, the Mohawk Municipal Commission has elected to withdraw its Rate Filing, originally dated August 31, 2016, with an initial effective date of January 1, 2017. Attached for filing with the Commission is Cancellation Supplement No. 7, effective April 26, 2017, to PSC No. 2 Electricity in Case No. 16-E-0488.

It is anticipated that the Mohawk Municipal Commission will again pursue a Rate Filing in October 2017, using the fiscal year end May 31, 2016, as its Historic Test Year.

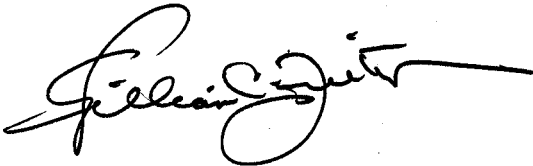

As this is a cancellation, permission is also requested for a waiver from the Commission's regulations governing newspaper publication of the enclosed supplement.
