Re: Company Name

Dear Secretary Burgess:

Purchased Power Statement No. 94 effective March 2, 2017 is hereby filed with the New York State Public Service Commission pursuant to the provisions of the Fishers Island Electric Corporation's tariff. Rates were charged as of February 28, 2017 but there was a problem filing which is why the effective date is March 2, 2017.

Sincerely,

John C. Finan
President
