Honorable Kathleen H. Burgess
Secretary to the Commission
New York State Department of Public Service

Albany, NY 12223-1350

Dear Secretary Burgess:

The enclosed statement is transmitted electronically by New York State Electric & Gas Corporation for filing in compliance with the requirements of the Public Service Commission, State of New York, to become effective January 10, 2017. The previous statement TS-175 was inadvertently filed with the incorrect rate. The correct rate was loaded into the Company's billing system, thus no customers were billed the rate in statement TS-175.

Transportation Rate Statements:

Statement No. TS-176 to PSC No. 88 Gas
