Re: Statement of Balancing Service Charges No. 44

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. ("Con Edison" or "the Company") is filing today the Statement of Balancing Service Charges No. 44, effective December 23, 2016, replacing the Statement of Balancing Service Charges No. 42 effective November 30, 2016. This filing is pursuant to the provisions of Con Edison's Schedule for Gas Service, PSC No. 9 - Gas, which allows the Company to periodically review and update the charges included in this Statement.

The Company is re-stating the \$45.522 Tier 2 Demand rate to \$18.968 to reflect an April - March twelve month period for Tier 2 storage rather than a November - October twelve month period.

Statement of Balancing Service Charges No. 44  
for Service Classification Nos. 9 and 20  
Effective December 23, 2016

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.

---
