Re: Statement of Balancing Service Charges No. 45

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. ("Con Edison" or "the Company") is filing today the Statement of Balancing Service Charges No. 45, effective December 24, 2016, replacing the Statement of Balancing Service Charges No. 43 effective December 10, 2016. This filing is pursuant to the provisions of Con Edison's Schedule for Gas Service, PSC No. 9 - Gas, which allows the Company to periodically review and update the charges included in this Statement.

The Company is re-stating the \$45.531 Tier 2 Demand rate to \$18.971 to reflect an April - March twelve month period for Tier 2 storage rather than a November - October twelve month period.

Statement of Balancing Service Charges No. 45
for Service Classification Nos. 9 and 20
Effective December 24, 2016

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.

/s/ William A. Atzl, Jr.
Director
Rate Engineering Department
